is authorized by

STOOF International GmbH
Wurzelweg 4
14822 Borkheide, Germany

As an official service point in the Libya region for the maintenance and repair of armoured vehicles manufactured by STOOF International GmbH.

Authorised service points may only use spare parts approved by STOOF International. Parts bearing the STOOF brand must be replaced with STOOF parts. It is not permitted to install parts from other manufacturers or competitors. Any violation will result in the withdrawal of authorisation. This authorisation can be withdrawn by written notification without any reason.
